

Community Garden Helper

Job Description

Garden helpers connect with the local community by providing various assistance in the garden and by forming meaningful relationships while working alongside others at the garden.

Key Tasks

- Gardening: propagating and growing vegetables, fruit and flowers.
- Learning to care for the garden chickens and bees
- Handy person skills in carpentry, DIY maintenance and construction.
- Help with preparation of morning tea: setting up and providing snacks, monthly BBQ.
- Willingness to chat with visitors to the garden.

Time Commitment

- Every Saturday 11am- 2pm. May volunteer once a week, fortnightly, monthly or whenever available.
